

Food and Beverage Server

Islington Golf Club is currently recruiting for **Food and Beverage Servers**. This is an excellent opportunity to work in a great environment at one of Toronto's Top Clubs.

Islington Golf Club is a wonderful parkland course designed by the renowned Stanley Thompson established in 1923. Lined with majestic trees and the meandering Mimico Creek, the location provides a tranquil setting in the west end of Toronto. The Clubhouse was renovated in 2010 and features several dining outlets, banquet facilities and meeting rooms. The golf course features a wonderful rebuild of all the greens and surrounds by course architect Ian Andrew.

The ideal candidate will possess:

- Previous customer service experience
- Smart serve/WHMIS certification
- Flexibility in schedule to work a variety of shifts (mornings/days/evenings/weekends/holidays)
- Ability to stand/walk for extended periods of time
- Knowledge of food and wine (asset)
- Comfort using a POS system
- Must have a valid Canadian work permit

The ideal candidate will be responsible for:

- Providing friendly, efficient and engaging service using knowledge of menus, drinks, appetizers, entrees and desserts
- Distributing menus to members/guests
- Taking and placing beverage orders with bartender
- Replenishing condiments and stock service areas with supplies
- Setting up side stations and performing assigned side work
- Taking and placing accurate food orders with the kitchen
- Serving food and beverages using proper etiquette
- Removing empty plates and glassware from tables

If you feel you possess the skill set, we are looking for we encourage you to apply. Please submit resume and cover letters to the attention of Diane Cacciotti, Human Resources, at diane@islingtongolfclub.com.
