

ISLINGTON GOLF CLUB

GUEST INFORMATION

WELCOME

Islington Golf Club is a private club founded in 1923, during the “Golden Age” of golf course construction and designed by renowned architect, Stanley Thompson. Surrounded by 6500 yards of golf course parkland in Toronto’s west end with Mimico Creek winding its way through tree-lined fairways, the club is a wonderful place to enjoy a day on the links. Over the past seven years, Islington Golf Club invested almost ten million dollars in course and clubhouse upgrades. We welcome you to our club and the following will provide you with some information to help you with your visit.

WHEN YOU ARRIVE

Please drive into the bag drop area and check-in with the starter. You can then park your car in the upper or lower parking lot. Please proceed to the golf shop located on the main level of the clubhouse. The golf shop staff will greet and accompany you to the locker room or one of the lounges. You can use our practice facilities while you wait for the other players in your group to arrive.

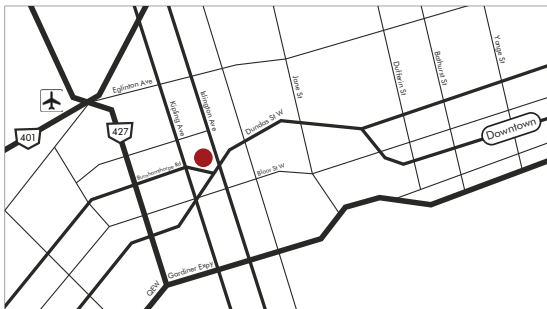

PERSONAL COMMUNICATION DEVICES

All personal communication devices must be set on vibrate or silent mode. Cell phone calls are only permitted in the parking lot or locker rooms provided that common courtesy is exercised at all times. Discreet, non-verbal (silent) communication, e.g., text messaging, emails and scheduling is permissible.

PACE OF PLAY GUIDELINES

All rounds of 18 holes should be played within 4 hours and 2 minutes or less, with no more than a 13-minute gap between the group that immediately preceded you on the first tee. Play ready golf!

CLUB LOCATION

The club is located at 45 Riverbank Drive, off the west side of Islington Avenue, one street north of Dundas Street West, and within easy access to public transit and a short driving distance of Pearson International Airport and the major highways. In addition, our site offers ample complimentary parking.
