ISLINGTON GOLF CLUB

CATERING & EVENTS

Just minutes from Toronto's downtown, Islington Golf Club is a private club surrounded by 6500 yards of manicured golf course parkland.

Our event rooms are designed to host a wide range of social events, from meetings to conferences and wine tastings to weddings. Our spacious salon is the centrepiece of our party space. With its natural light and view across the golf course, it serves up an impressive spot for celebrations, parties, seminars and conferences. The salon accomodates up to 180 guests for a sit-down dinner and 250 for a cocktail reception, but it can also be divided into two sections for a more intimate affair.

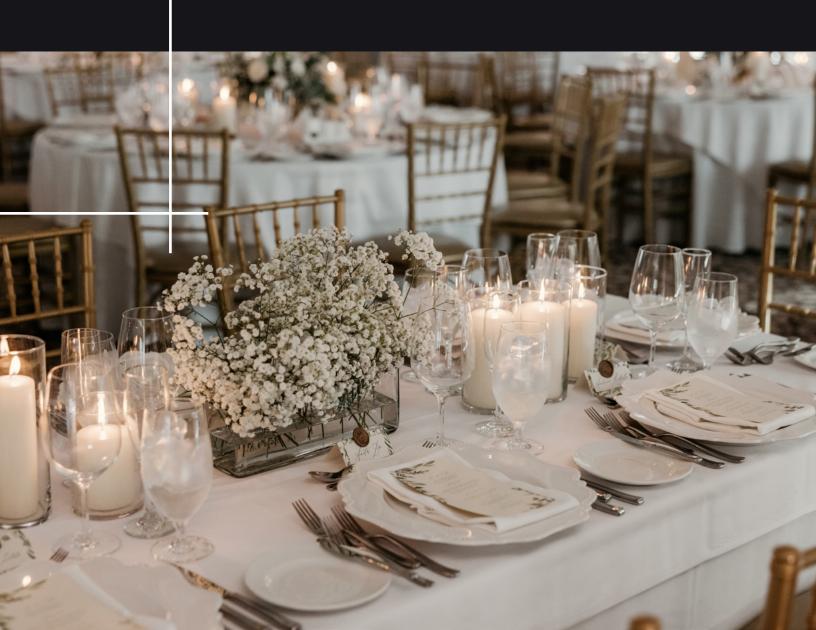

Your corporate events have options: reserve our boardroom for your meetings or our salon for conferences and cocktail receptions. We also have everything on site to meet your audio-visual needs.

Review our Catering Package, and let's coordinate a site tour and answer any questions you have for planning your day.
