

ISLINGTON

MEMBERSHIP PACKAGE

“Not only does Islington provide me with all the golf I want, but the fellowship and camaraderie of members is off the charts, and we have met members I am happy to say are now lifetime friends.”

~ Jerry, Member since 2000

WELCOME

Islington Golf Club is surrounded by 6500 yards of golf course parkland and nestled into historic Islington Village in Toronto's west end.

Islington Golf Club has a wonderful history. Over the past century, we have embraced the future while honouring the past. Our clubhouse and course have been transformed and enhanced, but our membership has remained steadfast. This is their club.

Bring friends and make new friends.

We are a private club that prides itself on a strong sense of community, and when you arrive, you'll notice it too.

Welcome to Islington.

“Islington: Forgiveness is found on its fairways and penance begins on its greens.”

~ Ian Andrew, Golf Course Architect

GOLF

A STANLEY THOMPSON DESIGN

Located within easy access of Toronto’s downtown, Islington Golf Club is a challenging, but comfortable to walk, 18-hole, par-72 golf course that features tree-lined, parkland-style golf holes, rolling terrain, and the meandering Mimico Creek.

Our practice facility with ball flight technology and short game area are some of the newest additions to the Club. Every shot you need to practice can be done here. With a number of synthetic turf hitting bays available, put your distance and power to the test in our full-swing range using any club in your bag, including your driver. Practice your approach shots on levelled or sloped bentgrass greens and use the bunkers to work on those critical pitch and sand shots. During the off season, take advantage of the indoor learning centre with four full swing hitting stations, FlightScope launch monitors, and indoor golf simulators

The golf shop is outfitted with a wide assortment of merchandise, including the latest golf equipment and attire. In addition, our experienced golf professionals can help ramp up your game with lessons throughout the season.

“There is a unique camaraderie amongst members that I believe has been nurtured by the friendly atmosphere of a common goal to get out and play.”
~ Lori, Member since 1987

MAKING CONNECTIONS

Islington Golf Club is an easy escape from the hustle of the downtown scene.

At the club you can expand your social network or simply enjoy spending time with your current one; you can combine work with a round of golf or simply enjoy a round of drinks with friends; and you can host your own parties or have us take care of the planning for you.

Golf membership includes access to our clubhouse and spacious patio overlooking the 18th — the best spot to unwind and admire beautiful sunsets following your round of golf.

Year-round dining and an array of social events will keep your calendar full, including live music nights by the bar, summer BBQs on the patio, Easter brunch with the family, and Christmas parties with your corporate team.

Let's be your host.
